

Thank you for purchasing a Kroger Card!

You have selected another way to support the CPAAA and the Lexington Division of Police!

How do you use the card?

You have an initial \$5.00 credit on the card that is good towards purchasing groceries at any Kroger.

Step-by-Step Instructions:

- Go to any Kroger and select your groceries as you normally would.
- Before the cashier begins scanning your items, tell them you have a *Kroger Gift Card* and you would like to add money to it.
- Add any amount of money you would like...\$10, \$50, \$100, \$200...
- The money you put on the card is IMMEDIATELY AVAILABLE for you to use.
- The cashier will then scan your items.
- When asked to pay for your items, present your *Kroger Gift Card* with the money you just put on it.
- You are still paying for your groceries with the same amount of money. The difference is that now the CPAAA will receive 4% of the sale at no cost to you!

Don't forget to replenish your card each time you go shopping!
